

The safety of your child

The safety of your child is central to all we do.

We risk assess each activity and well as check the site is safe each session.

Children wear appropriate clothes and when dealing with tools wear personal protective equipment

We have qualified Forest School staff :Mrs Yates and Mrs Baker

We have all the information we need to keep your child safe along with contact numbers and first aid kits

St Columba's FOREST SCHOOL

What does my child need to wear ?

Part of Forest School is having the right clothes.

Wellies (all year round)

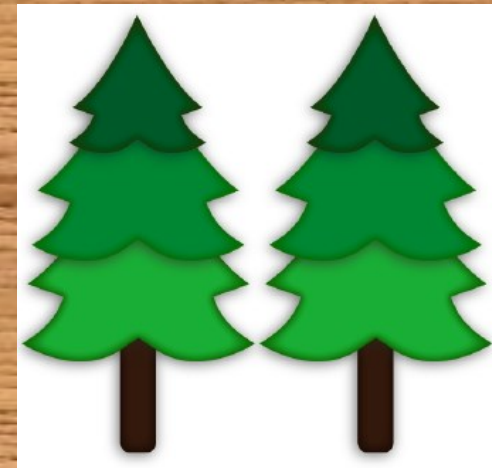

Long trousers and long sleeved tops

Warm socks

Warm clothes

Waterproof coat and trousers (we do have some in school but not enough)

If the weather is warm please wear suntan lotion

What is Forest School ?

It is the opportunity for our children to enjoy nature. They can climb trees, dig holes, make mud pies, search for mini beasts , build dens, use tools, light fires and play games.

Twice a week we go to the Forest School area next to school . Children all through the school enjoy their time in Forest School from Nursery to

Our Forest School Site

We have spent lots of time developing our forest school site.

The Diocese have let us use land at the back of church which is totally safe and fenced off

Log seating, trees to climb and plenty of space to run and explore in.

What does my child get from Forest School ?

Improved social skills

Risk taking in a safe environment

Skills development

Increased physical activity

Curriculum links

Learn about the outdoors

Have experiences they may otherwise not get

Parents / carers

Look out for our Parental Engagement days when you are more than welcome to come into Forest School to experience it for yourself.
